

Attis 4

LED Plant Growth Light

- No cooling fan
- High efficiency, patented heat dissipation design
- Built-in power supply
- 3 year standard warranty
(Extended warranty and finance available on request)

Tested and evaluated by
Rothamsted Research
since 2011

Attis 4

Product code: PX216XL

LEDs	72 x 3W LEDs
Size	450 x 450 x 78 mm
Input Voltage	AC100~240V @ 50/60 Hz
Output Voltage	DC36-45V
Actual Power Consumption	<120W
Power Factor	0.98
Working Current	630mA
Beam Angle	0 to 115 degrees (modules adjustable)
Beam Wavelength	460nm to 660nm
Working Temperature	-20°~+45° C
Lighting Cone Diameter	up to 5m @ 3m distance
µMol/s/m² at 1m	123 to 409 (unit emits 166 µmol/s)
LED Lifespan	50,000 hours
Net Weight	8.6 kg/pcs
