

Attis 5

LED Plant Growth Light

- No cooling fan
- High efficiency, patented heat dissipation design
- Built-in power supply
- 3 year standard warranty
(Extended warranty and finance available on request)

Tested and evaluated by
Rothamsted Research
since 2011

Attis 5		Product code: PX270XL
LEDs	90 x 3W LEDs	
Size	350 x 350 x 162 mm	
Input Voltage	AC100~240V @ 50/60 Hz	
Output Voltage	DC35-55V	
Actual Power Consumption	<145W	
Power Factor	0.98	
Working Current	2700mA	
Beam Angle	0 to 115 degrees (modules adjustable)	
Beam Wavelength	460nm to 660nm	
Working Temperature	-20°~+45° C	
Lighting Cone Diameter	up to 8m @ 5m distance	
μMol/s/m ² at 1m	123 to 512 (unit emits 200 μmol/s)	
LED Lifespan	50,000 hours	
Net Weight	6.5 kg/pcs
